## **OUR MISSION**

MATCH International Centre is a Canadian women's international organization guided by a feminist vision of sustainable development which recognizes the diverse realities of women and respects their efforts for self-determination.

To fulfill its mission, MATCH works in partnership with groups in Africa, Asia, the Caribbean and South America towards the empowerment of women and the practical enjoyment of human rights and fundamental freedoms through civil, political, economic, social and cultural justice

MATCH also undertakes public education in Canada on development and women's issues; and works to build and strengthen the women's movement nationally and internationally.
